

Dell Business Credit:

The ultimate business tool

Empower your business today. Using Dell Business Credit allows your business to invest in technology based on your technology timeline, while helping to conserve cash flow, build your business's credit, and enables your business to leverage other lines of credit for non-technology purchases.[^]

Dell Business Credit (DBC) benefits include:

- All Insight offerings eligible
- Low monthly payments
- Helps build your business credit profile
- Option to pay off purchase at any time without fees
- Instant equipment ownership
- Dedicated credit line for your technology needs and protects other lines of credit

Ready to make your Insight purchase using DBC?

Existing DBC customers can simply provide their account number, authorized user identification and PIN to Insight. Your account number can be found on your monthly billing statement.

Want to open a DBC account?

Applying is quick and easy. Please visit Dell.com/insightdbc to apply today! Qualified customers will receive a Welcome Kit containing their account number within 10 days.

If you need to make a purchase prior to receiving your Welcome Kit, please call Dell Financial Services at 1-844-380-1523, Monday-Friday, 7:00 am -7:00 pm CT. Additional verification will be required.

[^]Dell Business Credit: Offered to business customers by WebBank who determines qualifications for and terms of credit. Taxes, shipping and other charges are extra and vary. Minimum monthly payments are the greater of \$15 or 3% of the new balance shown on the monthly billing statement.

Work smarter.

At Insight, we'll help you solve challenges and improve performance with Intelligent Technology Solutions™.
